**** Submit a request for policy recommendations using the [AmeriCorps online form](#).**

AmeriCorps offers a review of your National Service Criminal History Check (NSCHC) policies to provide recommendations for improvement based on [45 CFR §§ 2540.200-207](#). Prime/direct grant recipients may complete [the online form](#) to request a policy review. If you are a subrecipient of an organization other than AmeriCorps, please contact your granting organization for assistance. Please do not submit your policy at this time. An AmeriCorps staff member will contact you when we are ready to review your policy.

This review is voluntary and is intended to support your development of policies and procedures that align with NSCHC regulatory requirements. This is not a formal monitoring activity. This policy review will not directly result in identification of noncompliance or cost-based disallowance. However, this policy review does not prevent AmeriCorps from enforcing disallowance for noncompliance identified during future oversight activities.
